3. Add to your fan page,click”Add to My Page”,then select your page add it.

The top screenshot shows the Facebook 'Get Started' page for the 'NoteBook Fan Page Template'. The left sidebar contains a red box around the 'Add to My Page' link. The main content area shows steps to add an image, invite friends, and tell fans. The right sidebar contains quick tips and sponsored stories.

The bottom screenshot shows a modal dialog titled 'Add NoteBook Fan Page Template to your Page'. The dialog prompts the user to select which page they wish to add the template to. A red box highlights the 'Add to Page' button. The background shows the same 'Get Started' page as the top screenshot.

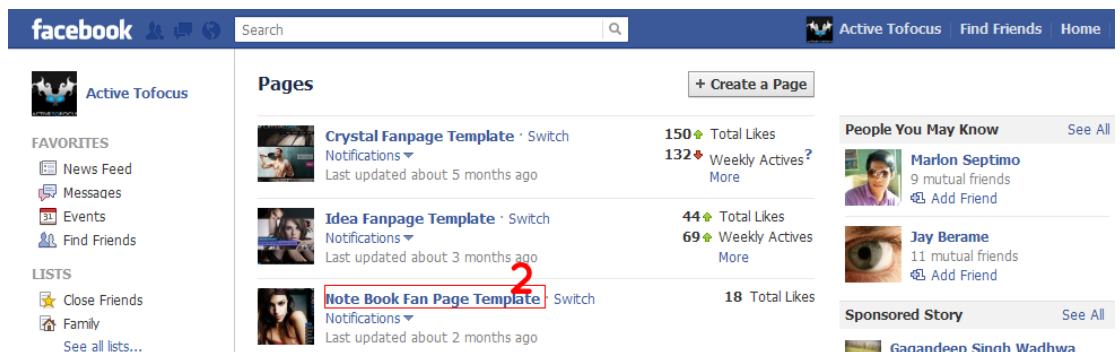

- All steps ok, you can open your page and edit and view it.

1. open pages admin

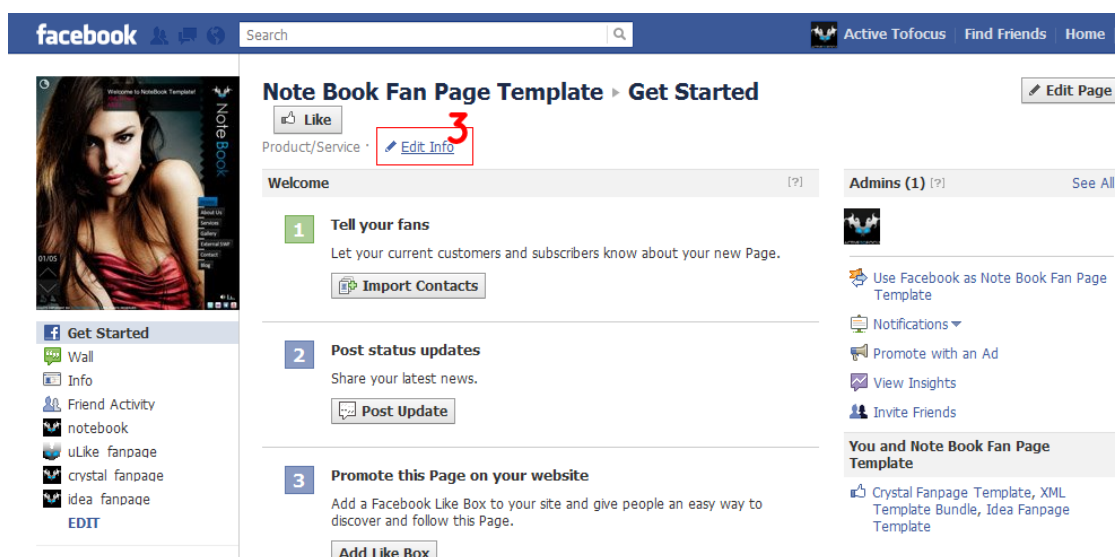

<http://www.facebook.com/pages/browser.php>

The screenshot shows the Facebook 'Discover Facebook Pages' page. The top navigation bar includes a search bar and links to 'Active To Focus', 'Find Friends', and 'Home'. Below the navigation bar, there is a section titled 'Discover Facebook Pages' with a dropdown menu showing 'My Pages' and 'Pages I Admin'. A red box highlights the 'Pages I Admin' link. Below this, there are categories like 'All Music Movies Television People Sports Brands & Products Companies & Organizations Local Businesses & Places' and a 'Page invites' section.

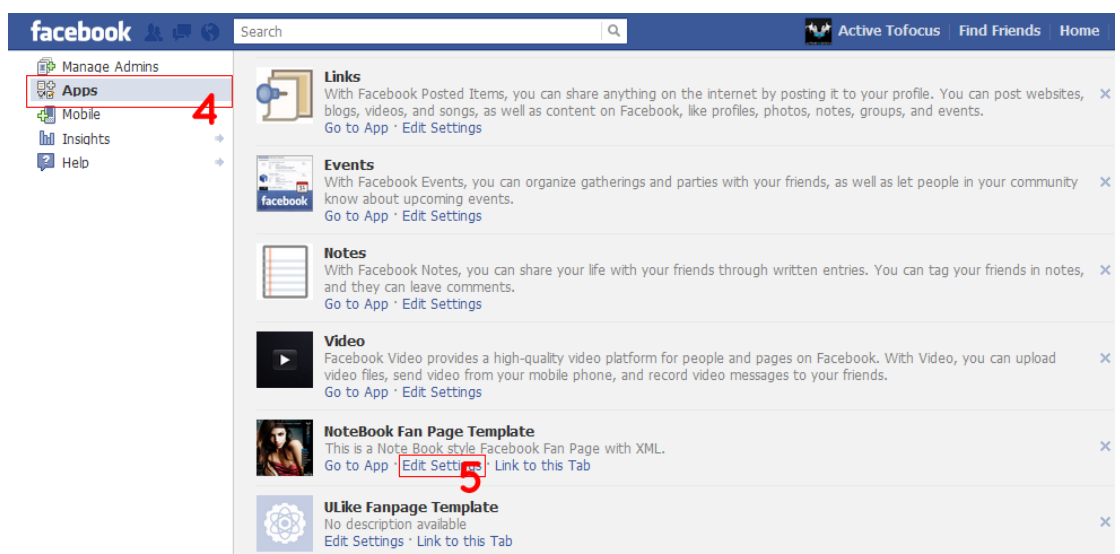

2. select your page of just create.

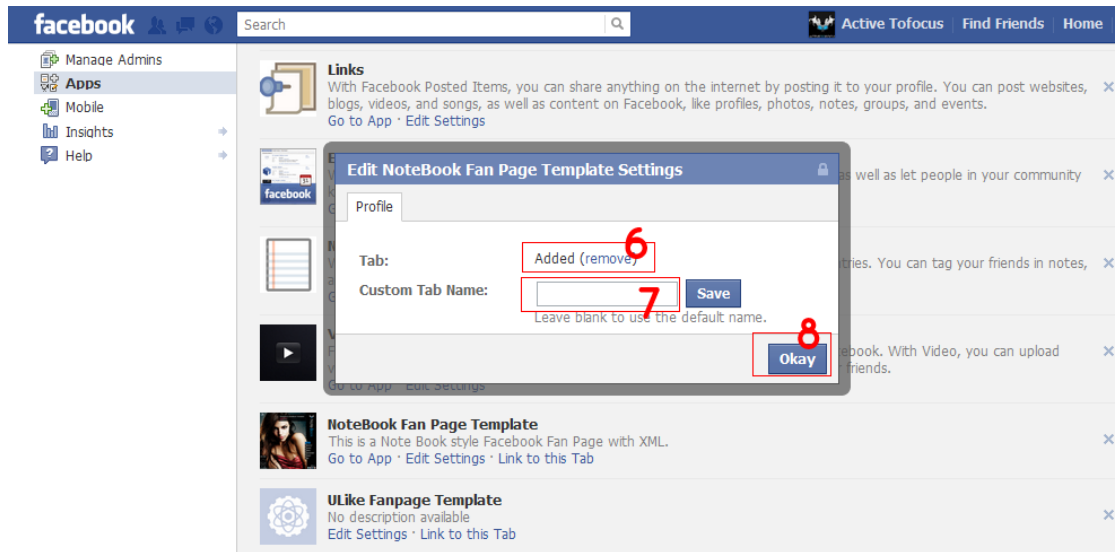

3. Click edit info button.

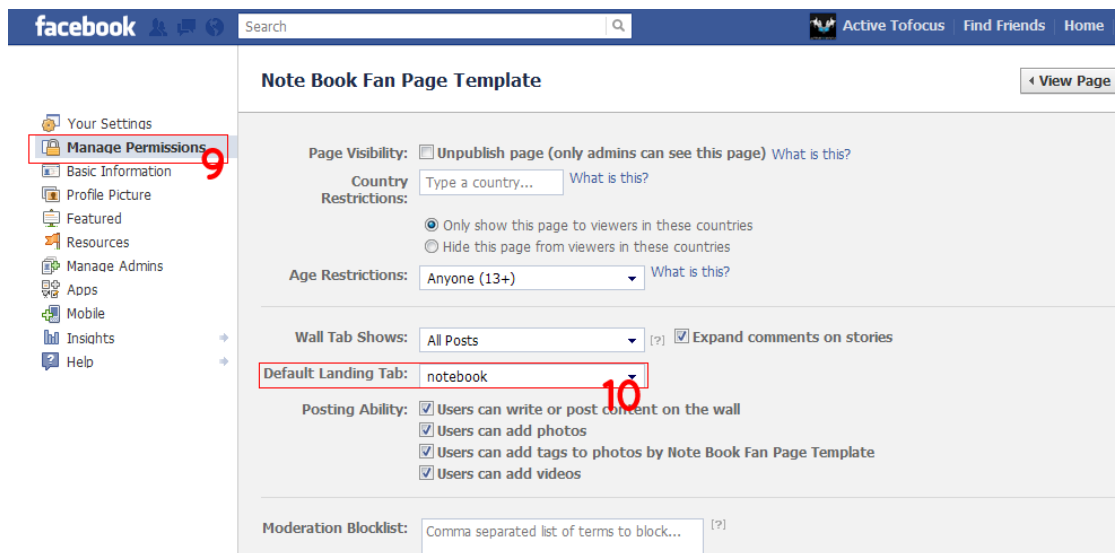

4. Open apps, then select your app of had created. click “edit setting”

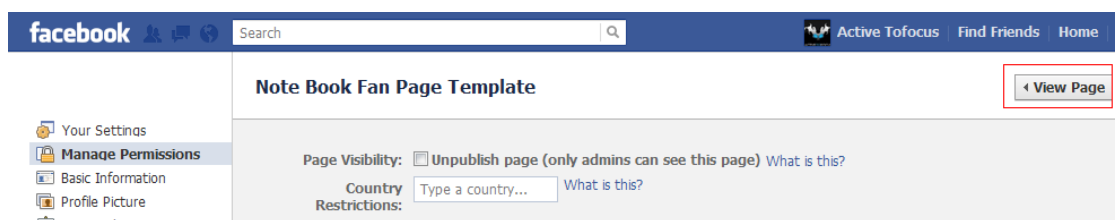

5. Add or Remove apps from your page and custom tab name.

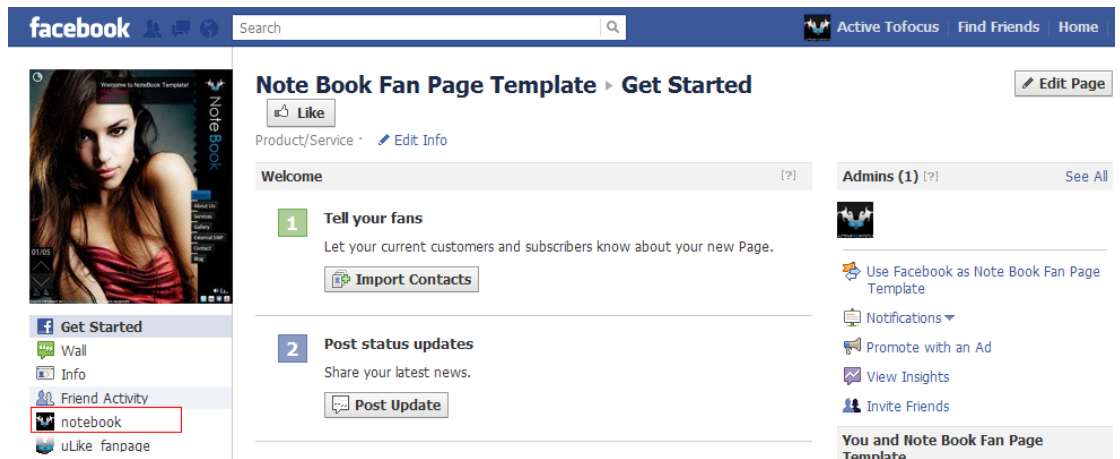

6. Set page default Landing Tab.

7. All save ok,click “view page” will find your app appear.

The screenshot shows a Facebook interface with a blue header. The page title is "Note Book Fan Page Template" with a "Get Started" button. Below the title, there's a "Like" button and a "Product/Service" link. The main content area has a "Welcome" section with two numbered steps: "1 Tell your fans" (with an "Import Contacts" button) and "2 Post status updates" (with a "Post Update" button). The right sidebar includes an "Admins (1)" section, a "Use Facebook as Note Book Fan Page Template" button, "Notifications", "Promote with an Ad", "View Insights", and "Invite Friends". The bottom of the sidebar shows "You and Note Book Fan Page Template". The left sidebar has a "Get Started" section with links to "Wall", "Info", "Friend Activity", "notebook" (highlighted with a red box), and "uLike fanpage".
