WC-WhatsApp Order for WooCommerce

Installation

1. Log in to **WordPress Admin** using your login credentials
2. Go to **Plugins** using sidebar

3. Click on **Add New**
4. Click on **Upload Plugin**
5. Then Choose **WhatsApp Order Plugin** zip file from downloaded package
6. Click on Install

7. Once the installation is done Activate the plugin

8. Here you should see WhatsApp Order Plugin

9. Then go to WooCommerce Settings and Click on Payments Tab

10. Here you should see

11. Now click on plugin name it will took you to Gateway settings page

A screenshot of the 'WhatsApp Order' gateway settings page. The page has a title 'WhatsApp Order' with a help icon. Below the title is a section 'Send order via WhatsApp'. The main settings area includes: 'Enable/Disable as Payment Method' with a checked checkbox 'Enable WhatsApp Order at Payment Method'; 'Enable on Thank you page for other Payment Gateways' with a dropdown menu 'Show the link to Send Order via WhatsApp' and a description; 'Title' with a text input 'WhatsApp Order' and a description; 'Description' with a text input 'Send orders using WhatsApp' and a description; 'WhatsApp Number' with a text input and a description; 'Instructions' with a text input 'this is the test note' and a description; 'Enable for shipping methods' with a dropdown menu 'Select shipping methods' and a description; 'Accept for virtual orders' with an unchecked checkbox 'Accept WhatsApp Order if the order is virtual'; 'Disable Other Payment Gateways at Checkout' with an unchecked checkbox 'Check if you want to disable other payment gateways at checkout' and a description; 'Send Payment/Pay Now link' with a checked checkbox 'Check if you want to send payment link in order message' and a description; 'Send Order Meta Data' with a checked checkbox 'Send Order Meta Data' and a description; and 'Ignore Order Meta Fields' with a text input 'is_vat_exempt,shipping_fee_recipient' and a description. At the bottom is a blue button labeled 'Save changes'.

Here you can configure it for use. You need to your WhatsApp Number here to receive orders.

12. And Click save

Important Note

You may face following situations if the pending order does not get paid within 60 mins. Unpaid order cancelled – time limit reached. Order status changed from Pending Payment to Cancelled.

Please follow below links to increase the limit or disable it.
